

BidWar Privacy Policy

Introduction

This Privacy Policy explains how BidWar collects, uses, stores, processes, and protects information collected from users of the BidWar platform and associated services.

Nature of Platform

BidWar is a SaaS-based sports auction and tournament management platform operated under CWP Detailers & Motors for small and medium scale sports tournament management and non-monetary player auction operations.

Information We Collect

BidWar may collect user names, mobile numbers, email addresses, IP addresses, device information, player details, tournament data, team information, logos, media uploads, login activity, bid history, and operational logs.

Authentication Systems

Users may access BidWar using OTP verification, email/password login, Google login, social login integrations, or administrator-created accounts.

Use of Information

Collected data may be used for account authentication, tournament operations, software functionality, technical support, analytics, communication, security monitoring, fraud prevention, and service improvements.

Data Storage & Security

Data may be stored using cloud infrastructure and third-party hosting providers. While reasonable security practices are implemented, BidWar cannot guarantee absolute security, uninterrupted availability, or protection against all cyber threats.

Third-Party Services

BidWar may integrate with payment gateways, analytics services, broadcast systems, cloud hosting providers, and external APIs. Such services operate under their own independent terms and policies.

User Responsibility

Users are solely responsible for ensuring that all uploaded content, player information, tournament details, logos, images, and operational data are lawful, accurate, and authorized.

No Gambling Usage

BidWar strictly prohibits usage of the platform for gambling, betting, wagering, illegal gaming, or any unlawful financial activity.

Data Retention

BidWar may retain operational records, audit logs, bid history, and account data for operational, security, compliance, and dispute resolution purposes.

Policy Updates

BidWar reserves the right to modify this Privacy Policy at any time without prior notice. Continued usage of the platform shall constitute acceptance of updated terms.
